

A warm, dimly lit bar scene. In the foreground, a tall, ornate glass filled with a dark liquid and ice sits on a tray. To its right, a smaller glass with a yellow flower in it is visible. The background is filled with various bar items, including bottles and a blurred cityscape at night.

# A SILENCE WITHIN A SILENCE WITHIN

A psychological suspense thriller from  
Joseph D. Peters.

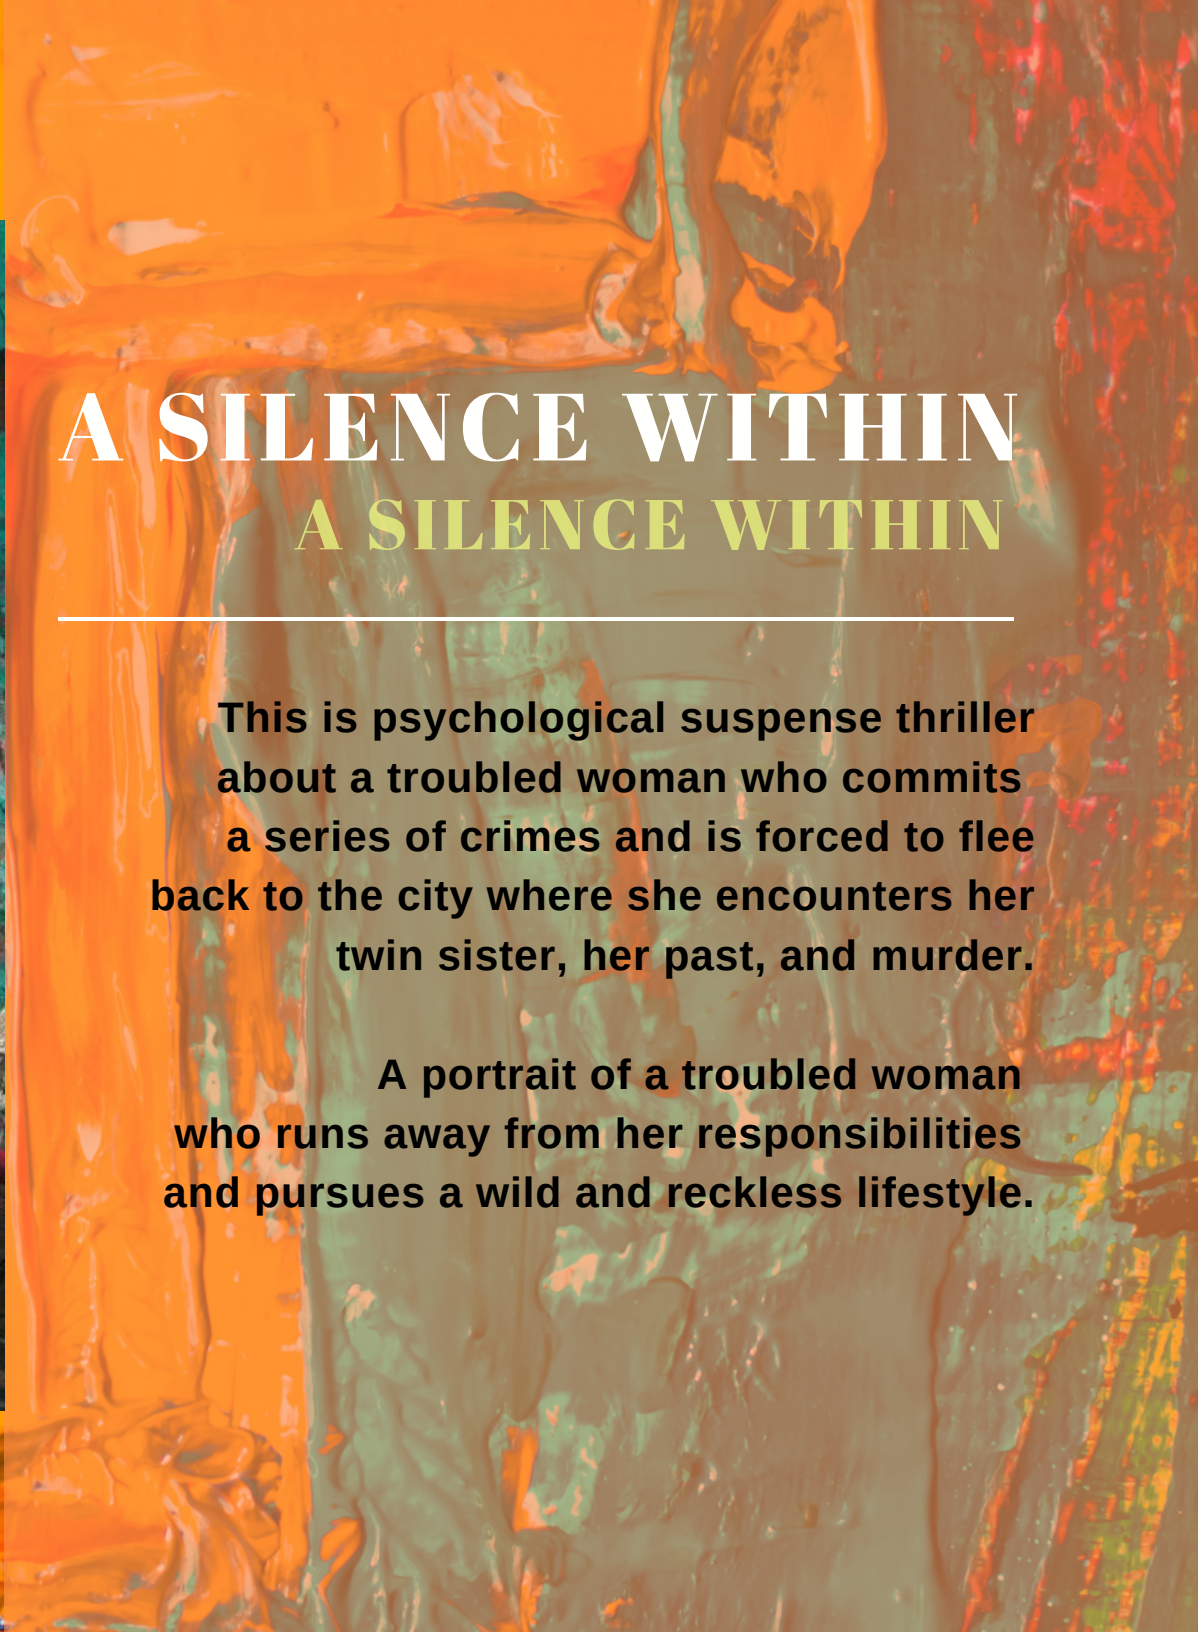

# A SILENCE WITHIN

## A SILENCE WITHIN

---

**This is psychological suspense thriller about a troubled woman who commits a series of crimes and is forced to flee back to the city where she encounters her twin sister, her past, and murder.**

**A portrait of a troubled woman who runs away from her responsibilities and pursues a wild and reckless lifestyle.**

# ACT I

Fabiana Moretti, a music teacher at an elementary school, suddenly leaves her class and begins a series of criminal acts to pursue a glamorous lifestyle. Her twin sister, Sabina knows that with Fabiana's most recent mental breakdown, this is the beginning of an uncontrolled situation. Sabina looks to the support of Detective Santucci for some help. Fabiana decides to leave the town when she realizes that the police are hot on her trail.

# ACT II

Mercedes Maura, an established star of the stage and screen meets Fabiana who is looking for a job. Mercedes invites her to an audition at the Valentino's Night Club. The audition turns into a live performance. Fabiana's passion for Johnny Rontoni, the singer, compels her to commit another criminal act when she discovers the close relationship between her new lover and Mercedes.

# ACT III

Mercedes has been found murdered. Detective Santucci and Sabina wait for Fabiana to complete her last song at the club. Fabiana slips out of the club. She spots Sabina talking to Johnny. She follows them to the restaurant. She exacts her revenge as she points her gun and shoots her lover in his chest. The police are in hot pursuit and chases her through the city. She knows that the end is near.

This is the story of a disturbed woman whose life is spiraling downward in a pattern of destructive behavior. Both Fabiana and her twin sister, Sabina are tormented by their childhood memories of an abusive father. While Sabina remains good and faithful to the church, Fabiana turns to a life of crime and is forced to change her identity and flees back to the city. Fabiana is able to find work as an opening act in a night club and engages in a torrid affair with a nightclub singer. But, in a moment of passion, she once again turns to crime and walks down a one way street of no return.

# MIGUEL MORETTI

handsome, charming, alcoholic. He is a gambler who looks at life as a game to be won or lost by the roll of the dice, playing the ponies or a crooked card game. After a weekend binge, he takes out his frustrations out on his faithful wife and two daughters. His behavior affects his family in many different ways.

Danny Pardo

CONFIRMED CAST  
WITH LOI

*" Filmmaking is the medium that contains all of the arts combined (drawing, painting, music, writing, and drama).*

*All of these elements combined will appeal to a worldwide audience and increase our chances for the films to be both artistically as well as financially successful.*

*My interest in the Latin market comes from my Caucasian/Hispanic background. I began to write, draw, and paint from the age of seven. My mother always had tango, salsa, and cumbia music playing in the background.*

*This film will be shot in English for the domestic and international market with bilingual local talent as well as a couple of American stars.*

*A Silence Within will incorporate a pure cinema language which is a combination of images and music to create an emotional response from the worldwide audience"*
